Sir:

In the Office Action dated August 9, 2010, it is stated that the Oath or Declaration is defective because "non-initialed and/or non-dated alterations have been made to the Oath or Declaration." Responsive thereto, Applicants respectfully submit that all such alterations were made after the Declaration was originally filed by Applicants. Applicants are submitting a copy of the Declaration as it was initially submitted to the U.S. Patent and Trademark Office on March 25, 2005. Applicants respectfully request that the objection to the defective Oath be withdrawn.

Respectfully submitted,
